Don't know much about history
 Don't know much biology
 Don't know much about a science book
 Don't know much about the French I took

Don't know much about geography
 Don't know much trigonometry
 Don't know much about algebra
 Don't know what a slide rule is for

But I do know that I love you
 And I know that if you love me too
 What a wonderful world this would be.

But I do know one and one is two
 And if this one could be with you
 What a wonderful world this would be.
